GRINDER PUMP INSTALLATION
AND
OPERATION AGREEMENT

2057943

VOL 10900 PAGE 27

The undersigned hereby grants the Kegonsa Sanitary District (hereinafter called GRANTEE) authority to construct and maintain (including replacement) a Grinder Pump Assembly, grinder pump effluent pressure discharge lines and/or gravity house laterals on land which at the time of signing was wholly owned by the individual(s) and identified as

CAMP DEWEY LOT 5 R143/85

in the Kegonsa Sanitary District, Wisconsin (hereinafter called GRANTOR).

In conjunction with the above-mentioned Grinder Pump Assembly, grinder pump effluent pressure discharge lines and/or gravity house laterals, a permanent easement on which to construct and maintain (including replacement) said facilities shall hereby be granted by the GRANTOR to the GRANTEE, a Sanitary District duly organized and existing under laws of the State of Wisconsin. Witnesseth that the said GRANTOR for and in consideration of the sum of one dollar paid by the GRANTEE to the GRANTOR, the receipt whereof is hereby acknowledged, the GRANTOR does hereby grant, bargain, sell, transfer and convey to the GRANTEE, it's successors and assigns a perpetual right-of-way and easement described as follows;

Said Easement shall include that land of the GRANTOR upon which the proposed facilities are to be located and an area extending 15-feet in diameter around the center of said Assembly. In addition, said Easement shall include a strip of land 8-feet in width, centered on the grinder pump effluent pressure discharge lines and/or gravity house laterals extending from the house to the inlet of the Grinder Pump Assembly and/or from the discharge of the Grinder Pump Assembly to the Public Pressure or Gravity Sewer.

The actual location of these facilities shall be coordinated by the GRANTOR and recorded on a record drawing of these facilities on file with the Clerk of the Kegonsa Sanitary District.

Upon completion of the installation of the Grinder Pump Assembly, grinder pump effluent pressure discharge lines and/or gravity house laterals and for any subsequent repair work, the ground surface shall be restored as near as possible to its condition immediately prior to the installation or repair work.

The consideration hereinabove recited shall constitute payment in full for any damages to the land of the GRANTOR(S), his, or their heirs, successors or assigns, by reason of the installation of the pressure sewer main referred to herein.

In Witness Whereof, the Grantor(s), has (have) executed this instrument this 7 day of April, 19 86.
